

# III IBERO-AMERICAN COOPERATION QUADRENNIAL ACTION PLAN (PACCI)

PACCI 2023-2026

## 7. Justice, public innovation and citizenship

- Contribute to the generation of innovative solutions for the strengthening of institutions and citizenry.

## 6. Environment

- Contribute to generating responses and solutions to the challenges of climate change, pollution and biodiversity loss.

## 8. Sustainable development and productive transformation

- Contribute to sustainable development through productive transformation, entrepreneurship and innovation.

## 1. Strengthening Ibero-American Cooperation

- Consolidate the Ibero-American Community through quality cooperation.

## 2. Social Cohesion: Inclusive public policies and dialogue

- Contribute to social cohesion and inclusion, considering inequalities and asymmetries.

## 3. Knowledge: Higher education, science, technology, innovation and digital transformation

- Contribute to promote the transmission, generation, transfer, application and dissemination of knowledge, fostering the use of Spanish and Portuguese in a context of linguistic diversity.

## 4. Gender Equality and women's empowerment

- Contribute to improving women's living conditions and promoting their equal participation in all fields.

## 5. Culture and cultural diversity

- Contribute to sustainable development through cultural public policies.
